All senior drivers train on our school car, which is specially modified with dual brake and gas pedals for our students' safety.

There are many reasons why you might be required to go through a DriveABLE assessment, or an ICBC re-examination road test. It could be as a result of a doctor's report due to a medical condition, (medical reports are mandatory beginning at age 80, and every 2 years thereafter), or because of a crash or a licence that's been expired, cancelled or suspended for 3+ years.
