**Driver Training & Assessment Standards
Road Test Booking Service
Student Consent and Release**

Note: Riders who have Class 6/8 Learner's Permits must fill out this form. Riders with full Class 6 licenses (ie: they have passed a Class 6 Road Test) do not have to fill out this form.

Prior to a Driver Training School booking a road test on behalf of a student, the student must provide his or her consent for the school to book a road test on the student's behalf and disclose personal information about that student to ICBC for the purpose of booking a road test. The completed form must be kept in the student record.

I _____ authorize Kelowna & District Safety Council Society
<Name of Student>

to book road tests on my behalf and disclose the following personal information to the Insurance Corporation of British Columbia (ICBC) for the purpose of booking a road test, in accordance with sections 26 and 27 of the Freedom of Information and Protection of Privacy Act (the Act):

- My name
- My learner's license number
- My e-mail address (if applicable)
- My contact phone number

1. I understand that if I fail to attend a road test appointment booked on my behalf without providing either at least 48 hours notice of cancellation to ICBC, or a reason for my failure to attend that is satisfactory to ICBC, I will be charged a \$25.00 fee for each missed test at my next road test appointment. This \$25.00 fee is in addition to the usual road test fees.
2. I understand and agree that ICBC may use the above information to update its customer database, and that ICBC will not disclose the above personal information to any external third party without my consent except where authorized by law, or for law enforcement purposes.
3. I understand that ICBC maintains physical, electronic, and procedural safeguards in compliance with the Act to protect my personal information.

Terms & Conditions

- Applications will be processed in the order in which they are received. Full payment must accompany all registrations.
- KDSC reserves the right to ask a student to leave the course if the student is intoxicated or behaving in a manner that puts the student or those around him/her at risk. Refunds will not be considered.
- Students must obtain their Motorcycle Learner's Permit prior to the first day of practical training. Students who fail to obtain their Learner's Permit before the start of their course will not be eligible for refunds. Take this test well in advance of your course!
- KDSC's group Ride Safe Learn to Ride Program consists of 8 hours Theory, 10+ hours Motorcycle Skills (MSC), and 12 hours Traffic Skills (TSC). MSA testing begins at 3pm of the second day of the MSC and students will be dismissed after they pass the test. Training must be completed within 90 days. If the Ride Safe Learn to Ride program is scheduled privately, training times are reduced in keeping with provincial regulations (6 hours Theory, 6 hours Motorcycle Skills, 6 hours Traffic Skills).
- Due to the progressive nature of the course, a student may be prevented from completing the course if he/she misses a day of instruction. Make-up lessons (\$150/3 hours) can be arranged, but refunds will not be considered.
- Some students may be recommended for Extra Training (\$110 for up to 3 hours) even if they pass the MSA. KDSC reserves the right to require Extra Training prior to TSC if there is concern about the student's safety and abilities prior to participating in TSC.
- To ensure the safety of its staff and students, and at its discretion, KDSC reserves the right to require an Extra Training session for students with significant lapses between the MSC and TSC.
- Students must pass the Motorcycle Skills Assessment (MSA) with KDSC prior to commencing TSC. Up to two attempts are permitted per day. If unsuccessful on both attempts, an Extra Training/Retest session (\$110 for up to 3 hours and up to 2 retests) must be scheduled prior to participating in TSC (students must successfully pass the MSA prior to participating in TSC).
- In an effort to provide a healthy learning and working environment for our students and staff, smoking is not permitted during training. Students will be advised of designated smoking areas. Please note that KDSC has a scent-free policy; please refrain from wearing perfumes/colognes during all classroom sessions as well as during practical training (especially if renting helmets).
- KDSC reserves the right to charge a student for willful damage to KDSC property (ex: intentional stunt riding or throwing a helmet). No student will be charged for damage resulting from normal wear and tear, or that occurs during the normal course of training.
- Motorcycling is a physically demanding sport that requires coordination, multi-tasking, concentration, and balance. It is possible that a student may decide that motorcycling is simply not for him/her. Although we sympathize with this situation, we cannot offer refunds to students who do not complete or pass a course. We will do everything we can, however, to help these students overcome their challenges and continue with their scheduled course.
- Completion of the Learn to Ride course does not guarantee success with the ICBC Road Test (RT). KDSC reserves the right to withhold the use of a KDSC motorcycle for the Road Test if the student does not complete the course or if he/she has not demonstrated sufficient skill to safely perform the test or ride in traffic without instructor supervision. Extra Training may be required for the student to demonstrate improved skill on the bike prior to a RT.
- KDSC includes the use of a motorcycle for the ICBC Road Test with the purchase of the full Learn to Ride program. Upgrade to a Road Test Escort is available for only \$65. Please note that only one free use of a motorcycle for the Road Test is included in the course. KDSC reserves the right to deny a student the use of a motorcycle for his/her Road Test if instructors feel that the student has not achieved an adequate level of skill to be safe during the Road Test.
- As per ICBC Regulations, KDSC is not allowed to assess a student who has not demonstrated competency in all of the basic skills needed to safely control and operate a motorcycle (Facility Agreement, Schedule B, 3.2).
- Students must register for (and pay for) the MSC and the TSC at the same time in order to be eligible for discounted course pricing.

- A fee of \$40 will be assessed for NSF cheques. Prices listed on website/brochures/this policy page do not include applicable taxes.
- Credit Card payments online or by phone constitute acceptance of KDSC's Terms/Conditions/Cancellation/Transfer/Gear Policies.

Cancellations & Transfers

- Cancellations made 14 calendar days or less prior to the course start date will not be refunded, regardless of the registration date. Cancellations made 15 calendar days or more prior to the course start date will be refunded less a \$75 fee.
- Transfers will be permitted at a cost of \$50, if the request is made in writing 15 or more calendar days prior to the start date of the course in which the student originally registered. Transfers will only be allowed within the same season.
- A student's chosen course dates are firm. Students who do not attend their chosen dates will not be refunded or transferred to a later course. We strongly advise doing everything possible to attend your chosen course dates once you are within the 14 day "window" that does not allow for cancellations or transfers.
- Extra Training, Private Training, or Road Test Escorts cancelled with less than 48 hours' notice will be non-refundable.
- The "start date" of a course refers to the first date on which a student participates in any part of the Learn to Ride program.
- Requests for refunds and transfers must be made in writing. Please allow up to 2 weeks for refunds to be processed.

Gear Requirements

KDSC's gear standards are higher than those required by BC law, and students are responsible for ensuring that their gear meets KDSC's minimum standards. Students who attend with insufficient gear or without a valid Class 6/8 Learner's Permit or BCDL will not be permitted to participate. Refunds will not be considered. Free helmet, jacket, and glove loans are available. Please contact KDSC prior to your course start, if you have any questions. Rain gear is optional, but must be worn over approved gear, not instead of approved gear.

- Helmet - Must be a DOT approved, full face, motorcycle-specific helmet. Half helmets, skull caps, toy, snowmobile, motocross, open face, or bicycle helmets are not acceptable.
- Jacket - Must be a motorcycle specific leather or textile jacket that zippers closed (button closures not permitted).
- Pants - The minimum acceptable standard for pants is sturdy denim jeans with no holes or tears (full length, no capris).
- Gloves - Must be leather or motorcycle specific textile gloves; no part of the fingers/hands/wrist may be exposed.
- Boots - Must be leather, covering the ankle completely, with low heels or no heels and a shallow forefoot area to facilitate gear shifting. Running shoes are not acceptable (even if they are high tops or made of soft leather). Sturdy leather/suede hiking boots are acceptable if they cover the ankle and are solid leather/suede. Although construction boots or cowboy boots are acceptable, they may make controlling the bike more difficult due to height of toe and/or heels.
